Autumn Two Home Learning Year 2

Gorringe Park Primary School

English	Maths	Wider Curriculum	Experiences
Write an alternative ending for a traditional fairy tale you know. Think about what could have been done differently.	Practise adding two 2-digit numbers (crossing 10). https://vimeo.com/732386429 Use this method to solve these questions. 12 + 19 = 23 + 28 = 44 + 28 =	Create a map to show how you get to school. Draw the key buildings and locations you pass on the way.	Design and create a balanced meal for a friend at school. Think carefully what a healthy diet looks like.
Make a poster for the rules for spelling plural nouns.	Play the times tables bowling game: https://mathsframe.co.uk/en/resources/resource/504/Super-Maths-Bowling-Multiplication Practice with the 2, 3, 5, 10 times tables.	Create a diagram to show stages of human development e.g. baby, toddler, childhood, teenager, adult	Gather natural resources from your local area. Use the resources to create your own artwork.
Create a character description of a character in a book you have read. Describe their personality and their looks.	Look around your house and list all the 3d shapes you can find. Then create a tally chart to record how many you find.	Sketch buildings in your local area. Make your sketch realistic by using different sketching techniques. 	Grow a plant at home and record its height each week. Think about the conditions it needs to grow.
