Key Learning

The Bible is a special book for Christians.

Christians read the Bible in order to learn about God and how this affects their daily life.

The New Testament contains stories about the life of Jesus and stories Jesus told. Jesus chose special friends which he called his 12 disciples. Jesus showed he is a friend in so many ways in the Bible for example by feeding 5000 people and by raising Lazarus from the dead.

The story of Zacchaeus reminds Christians that Jesus loved all kinds of people.
