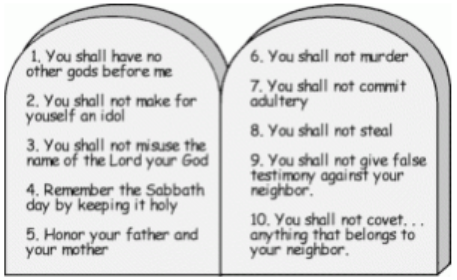
Key Learning

Christians believe Jesus teaches them values of being kind and thankful. Jesus shared stories about how he has shown love and forgiveness. He has shown examples of how Christians should lead their lives.

The two greatest commandments in the Bible are 'love God' and 'love your neighbour' Mark 12:29-31

Christians often pray at home before meals. Christian homes may contain symbols such as cross, statues and pictures of Jesus and Mary



Big question: What did Jesus' stories teach Christians?
