## Key Learning

The Bible has 2 Testaments, 66 books, 1189 chapters and over 31,000 verses! These divisions are there to help people find a sentence in the Bible quite easily.

For Christians, it is God's word, full of guidance and wisdom, containing everything you need to know about salvation and about being right with God.

The Bible contains different types of literature such as parables, laws, letters, songs and prayers.

The Old Testament is the first (and biggest) part of the Bible. It tells us stories before Jesus was born. This part of the Bible is sacred to the Jewish people.

The New Testament describes the life of Jesus and the lessons he taught.
