Key Learning

The Torah is important in Jewish worship and the synagogue as it is believed to be the word of God. The Torah is known as the first 5 books of Moses. It contains rules of the ten commandments, sayings which express values, stories about the beginning of the world and the people of Israel.

The ten commandments are the important laws of the Jews which tell Jewish people how to live. The commandments help Jews to love and worship God effectively.

Jews believe that God is

- Is one
- Is the creator
- Cares for all people
