

Autumn One Home Learning Year 4

English	Maths	Wider Curriculum	Experiences
Research your class country. What facts can you find? What is the most unusual fact or funniest fact? Design a fact file, power point, poster to convince someone to visit.	The rules of rounding often use a rhyme to us remember them. Choose a rounding rhyme and test that it works. Write your own rounding rhyme and draw a poster showing how it works.	Science What would life be like if we did not have electricity? Spend a day without electricity. What did it feel like?	Learn to sew a button onto a piece of fabric.
Write an alternative ending to our class book, 'The Selfish Giant' by Oscar Wilde.	Create a board game inspired by one of the following: 6 times table 7 times table 8 times table	Create a piece of artwork using natural resources that you would find in your local park.	Buy something using cash and check your change.
Create a map for the Giant's garden. Label the map with a key which highlights the features you have included. Write a paragraph to describe the garden or a set of instructions to find our way around the garden.	How many ways can you partition five 3-digit numbers? Write stem sentences to match your investigation.	Research Viking long boats. What materials were they made of? How were they built? Design and build your own Viking long boat. Now test how far it can travel in water!	Follow a recipe to bake cupcakes. Can you decorate them to look like your class flag?
